

Qwik Alarm[®] for Qwik Jon[®] Choice

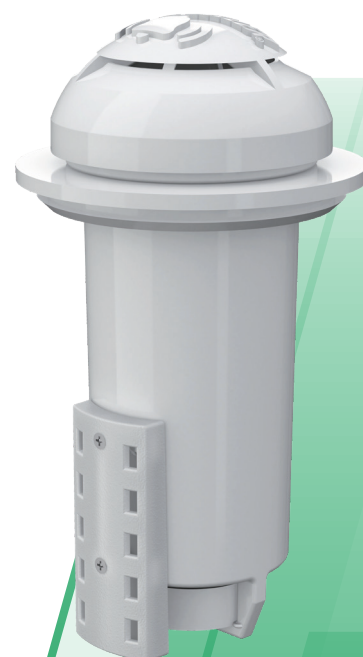

Protect your investment!

FOR BATHROOM INSTALLATIONS

Features and Benefits:

- An audible alarm that alerts when the tank water level is high
- Convenient snap-fit cover provides easy access to alarm settings and the battery compartment
- Smooth white polypropylene case that is easy to clean
- Preassembled alarm and seal for quick and easy installation
- Low profile, compact design blends in well in a bathroom setting
- IPX8 rated device that can withstand periods of total immersion, so it is ideal for damp areas
